

SIDDHARTH SESHAN

PARTNER

Siddharth Seshan's practice focuses on private equity and venture capital transactions, joint ventures and general corporate advisory matters. He has represented leading venture capital firms and venture capital-backed emerging companies with their fund-raising, governance and investment activities. He has assisted multinationals to comply with India's business regulations and advised on private company acquisitions across different sectors.

He is a key member of the firm's anti-corruption and compliance practice. He has been involved in internal investigations and compliance reviews, and has also advised on remedial and preventative measures under Indian anti-corruption laws.

He holds a BLS, LL.B., degree from the University of Mumbai (2008). He also holds an LL.M from University College London, UK (2009). He is qualified to practice law in India.

Siddharth is a badminton enthusiast and enjoys playing during his down-time.
