

Meera Moganasundaram

Partner

Meera is a Partner at the Chennai office with over a decade of experience. She appears regularly before the Hon'ble Madras High Court and subordinate courts, judicial and quasi-judicial authorities and select tribunals. She brings specialized expertise to arbitration, commercial litigation, and environmental matters, with a niche focus on labour and employment disputes, intellectual property, and construction litigation. She advises and represents independent clients and domestic and international entities across sectors including banking and finance, labour and employment, construction & real estate, environment, intellectual property, sporting associations, competition commission matters and civil law.

Meera also handles title diligences, certification of statutory approvals, sales, acquisitions, and leasing of various types of residential, commercial, industrial and infrastructure projects and estate planning advisory for NRIs, OCIs and HNIs. In the past she was an Independent Legal Consultant for Tamil Nadu Pollution Control Board and advised the Board in respect of its matters before the Supreme Court, Madras High Court and National Green Tribunal (Principal and zonal benches).

Meera Moganasundaram is admitted to practice law in India.

She enjoys live jazz, artisanal coffee and rifle shooting in her free time.
